overhaul:

Please note the following conditions before submitting your quote request.

1. Refer to engine overhaul criteria for included accessories.
2. Payment terms are 50% of quoted price upon acceptance of quote, balance of invoice prior to delivery of completed engine.
3. Scone Aircraft Maintenance will pay return freight from anywhere in Australia.
4. Warranty is as per our engine criteria page. A copy of our standard warranty is furnished with each completed engine, or is available on request prior to commencement of overhaul.
